

Job Advertisement: Assistant Principal Openings (2 Positions)

The Athens Area School District is actively seeking two (2) dynamic, collaborative, and empathetic leaders to fill the positions of Assistant Principal. These 220-day, ACT 93 positions require the ability to meet the criteria for a K-12 Principal certification in Pennsylvania. We welcome applications from individuals eager to step into educational leadership roles, with a strong desire to have a significant and positive impact on our students' lives.

Key Responsibilities:

- Provide leadership and assistance in managing student behavior and promoting a positive school culture.
- Work closely with the principal, teachers, staff, and parents to establish a safe, healthy, and positive learning environment.
- Implement and supervise effective discipline policies and procedures.
- Build robust relationships with students, families, and the community.

Qualifications:

- Master's degree in Education or Educational Leadership (Preferred).
- Eligibility to receive K-12 Principal certification in PDE.
- Minimum of three (3) years teaching experience.
- Strong leadership, communication, and interpersonal skills.
- Proven experience working creatively and collaboratively with a variety of stakeholders.
- Managing student behavior.
- Proficient in data analysis and adopting data to help guide decision making.

Our school district promises a supportive work environment that is focused on shared progress and committed to continual personal and professional development and growth.

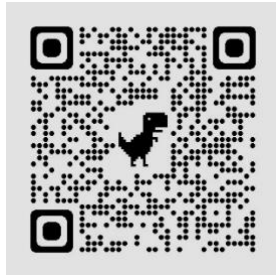

We are actively seeking candidates who are excited about student success and dedicated to fostering a dynamic school culture. Candidates must be committed to become an integral part of our dedicated team.

Whether you are an experienced educator or are keen to commence your journey in educational leadership, we encourage you to apply if you meet the required qualifications. Seize the chance to expand professionally while enriching our students' lives.
