PARSS ENEWS SPECIAL EDITION

## 2022 PARSS Conference

## MAY 4-6, 2022

Dear PARSS Members,

It's been two long years since we gathered for our last conference, so allow me to extend a warm, "Welcome Back" to the 2022 PARSS Conference!

Take a look at our conference lineup. I'm certain you'll find plenty of topics to inform and enhance your day-to-day decision making. Plus, we will be providing ACT 45 hours for your participation. You'll be able to obtain 25 hours for this event, and details about this opportunity will be made available at the conference.

As usual, we've assembled plenty of vendors who will be on the scene to share information about everything from educational software to construction or any other need your district may encounter.

The annual conference is the perfect time to unite with colleagues from across the state and take a well-deserved break from the tumultuous times we've all encountered in the last 24 months. If you golf, there's time for that too! I'm sure you'll relish the competition, the camaraderie, and the Boalsburg scenery.

I'm not the only one anticipating this special PARSS event. Our pre-registration numbers are among the highest we've ever recorded, so please sign up today. I know you'll find the conference to be a positive way to close out the academic year.

Hope to see you there!

Sincerely,  
Edward Albert, Ed.D.  
Executive Director
