

PARSS Legislative Update

May 4, 2024

Property Tax Relief Allocation Notification Sent to Supers

On May 1, PDE sent notification to superintendents providing the increased property tax relief allocations for 2024-25. The PARSS analysis shows that the median increase for districts was 20.1%. The largest increase is 30.8% and 12.8% is the smallest increase.

Looking at statewide totals, districts received \$777,118,673 last year including \$38.3 million in Sterling Act reimbursements. For 2024-25, the property tax relief to schools will increase 23.8 percent to \$931,060,391 including \$47.4 million for Sterling Act reimbursements.
